## Monica Spezia

*Architecture, interior, advertising, design, hospitality, food, still life, portrait and travel*

*Service offered: photography, editing, shooting production, location, casting, video director and styling*

Monica was born in Milan where she lives with her two daughters when she is not travelling.

She started her career at the age of six with a black and white polaroid, then University studies in philosophy and cinema and a degree in film directing.

After working for a few years in advertising production, he returned to her first passion focusing on interior, design and food photography with some digressions in fashion and travel photography.

Monica collaborates with major international magazines and with the most important adv agencies.

She is always in continuous research creating personal photo and video projects on man and space.
